Simple

We're all after an easier life. Travelling to or from the train station doesn't have to be hassle – driving in traffic, trying to find a parking space or paying through the nose for a taxi.

Simply buy a **PlusBus** ticket with your train ticket and you're sorted. We give you unlimited* bus and tram travel (on participating operator's services) around the whole urban area of your rail-served town or city.

Freedom

Buy **PlusBus** to start your journey (to get to the rail station) or to finish your journey (from the station to your final destination). We've no peak period restrictions, so you can hop-on and off buses and trams as much as you like all day!

Buy a single, day return or period return train ticket and you can buy a **PlusBus** day ticket. Rail commuters can buy a week, month, 3-month or annual **PlusBus** season ticket with their rail season.

Convenient

Buy **PlusBus** with your train ticket at any National Rail station booking office, or online from all train operators and most other rail ticket websites. You choose how and when you get your tickets – by post, courier or at a station. We're also increasingly available from self-service ticket machines at rail stations.

Savings

PlusBus ticket prices start from just **£2.50 a day**. We're usually cheaper than buying a bus pass from the main bus company in town. Our fares for your region are shown overleaf. For other areas of Britain, please visit: plusbus.info
