**Notes**

- <sup>1</sup> Count of ticket office windows with at least one sale recorded in calendar year 2022
- <sup>2</sup> Count of Ticket Vending Machines with at least one sale recorded in calendar year 2022
- <sup>3</sup> Excludes seat reservations
- <sup>4</sup> Ticket office and TVM combined
- <sup>5</sup> Stations marked as "n/a" are part of a station fares group. Most ticket sales, other than those made at one of the stations within the group, will record the group name as the origin (e.g. "London Terminals" or "Canterbury Stations") and tickets can be used to or from any of the stations within that group. We cannot identify in this data which specific station within the group has been used by the customer for journeys made on tickets booked online.
- <sup>6</sup> Gives context for the travel products passengers making journeys from stations within the London area are using, even if not using the retail facilities at the station.
