Closures in August

There will be no Southeastern trains to or from Charing Cross, Waterloo East and London Bridge from Saturday 26 August to Saturday 2 September, including four working days.

Please note on Bank Holiday Monday 28 August, Hastings services are diverted to London Bridge Low Level Southern platforms via Redhill and East Croydon.

There will be fewer trains into London, they will be diverted to alternative stations and they will be extremely busy.

The revised timetable means that trains will be going to either Victoria, Blackfriars, Cannon Street or Waterloo. We are able to run trains into Waterloo temporarily for the four working days. High speed trains will be unaffected by these changes and will run as normal to St Pancras International.

Some stations will have queuing systems in place and your journey will take longer than usual. Your ticket will be accepted on alternative routes detailed below.

Top tips for passengers

At a number of stations, there will be significantly fewer trains into London termini in the morning peak. Where possible, we will lengthen those trains that are running.

Stations will be very busy from 07:00 to 08:30, passengers may not be able to board the first train and there may be longer waits than normal in between trains.

Where our detailed travel advice refers to a limited service, this means that during the Peak hours there are only one or two trains in the three-hour period and for Off-Peak hours this means there is less than an hourly service.

Cannon Street and Victoria stations will be exceptionally busy as extra trains divert there, meaning many more Southeastern passengers will be using these stations and queuing systems will be in place. Passengers may have to wait to enter the Tube in the morning and to board Southeastern trains in the evening.

Passengers should:

- travel outside the busiest times and allow more time to travel. The peak hours for travelling on Southeastern services are 07:00-09:59 and 16:00-18:59.
- work from home if possible
- consider using a nearby station on a different branch
- look at alternative routes on our website
- think about how to complete your journey once you're in London
