Train times 1

7 October to 8 December 2018

London and Tonbridge to:
**Ashford International,
Canterbury West, Folkestone,
Dover, Ramsgate and Margate.**

Times are changing this autumn From 7 October to 8 December

Summary of changes

We're making some small changes to our timetable this autumn to keep trains running on time.

Some morning trains will leave a few minutes earlier. Evening trains will leave London at the same time as usual, but some will arrive at stations along their route a few minutes later.

This timetable leaflet shows the few changes we've made to timetable book 1. Use this leaflet alongside the full pocket timetable 1 dated 20 May to 8 December 2018 to view all services.

Where we've made changes to train times (or a connecting train time) these services are highlighted in **ORANGE**.

Why we're changing the timetable

You wouldn't think the humble leaf could cause so much trouble. 50 million leaves fall onto our train tracks every autumn. When mixed with rain and squashed by train wheels, they form a slippery layer on the rails like black ice. Our drivers need more time to stop and start the trains as the wheels have less grip on the tracks. These timetable changes give us the extra time we need to drive the trains safely.

We're on the case

- Clearing hundreds of miles of trackside vegetation throughout the year
- Running special leaf-busting trains throughout autumn that clean the rails using water jets and apply a sand-based gel to help trains grip the rails
- Adding a few minutes to journey times to give drivers more time to stop and start
- On days when we expect the weather to be at its worst, our Off-Peak* metro services will call less frequently at some stations. We aim to give you 3 days' notice that the timetable will change, and details will be displayed at stations affected.

Maintaining our network

In partnership with Network Rail we're changing our approach to maintaining our network in order to minimise disruption to passengers. Services to benefit are Ashford International to Ramsgate via Canterbury West on Monday nights.

However, other work may take place and customers are reminded to check for late night midweek services for any disruption.

Every effort is made to ensure the information shown in this timetable is correct at the time of publication (September 2018).

Engineering work

Train times shown in this timetable are for the normal planned train service. However, engineering work may mean that these times change at weekends, on late evenings or early mornings and during public holidays and special events. When train times change, posters giving details will be displayed at stations.

Our website displays a summary of local train changes or visit National Rail Enquiries' website for more local and national information.

Public Holidays

On Public Holidays we normally operate an amended service. Full details will be available at stations and on our website. There are no Southeastern services on Christmas Day.

Bikes on trains

Bikes can be carried on our train services, except during busy weekday peak periods (trains due to arrive in London between 0700 and 0959, and those due to leave London between 1600 and 1859). Only folded bikes can be carried on these services and these must not block doors or aisles. Bikes are not allowed on replacement buses.

Safety at stations, on platforms and on trains

Please take care at stations and keep yourself and your belongings well away from the edge of the platform. Be careful on stairs, escalators and footbridges, especially during wet and/or cold weather. Please make sure you keep your belongings with you at all times and do not leave them anywhere.

For your safety and security, we have CCTV cameras at some stations and onboard some trains. CCTV evidence can be used in court.

Train doors will close 30 seconds before the advertised departure time. Please make sure you have enough time to get on your train safely and please take care when you leave the train.

Some of our trains are longer than the platforms at some stations. We will make announcements on the platform or on the train to make sure you travel in the right coach.
