Welcome to your new pocket timetable

As part of the continuing work at London Bridge, there'll be changes to our services over some weekends and significantly on weekdays over the Christmas and New Year period. See dates below:

Christmas and New Year 2017/8

Saturday 23 December 2017 to Monday 1 January 2018 (working days included).

For more details and to sign up for free text reminders before any major work, go to southeasternrailway.co.uk/thameslink or thameslinkprogramme.co.uk

Engineering work

Train times shown in this timetable are for the normal planned train service. However, engineering work may mean that these times change at weekends, on late evenings or early mornings and during public holidays and special events. When train times change, posters giving details will be displayed at stations.

Our website displays a summary of local train changes or visit National Rail Enquiries' website for more local and national information.

Public Holidays

On Public Holidays we normally operate an amended service. Full details will be available at stations and on our website. There are no Southeastern services on Christmas Day.

Bikes on trains

Bikes can be carried on our train services, except during busy weekday peak periods (trains due to arrive in London between 0700 and 0959, and those due to leave London between 1600 and 1859). Only folded bikes can be carried on these services and these must not block doors or aisles. Bikes are not allowed on replacement buses.

Safety at stations, on platforms and on trains

Please take care at stations and keep yourself and your belongings well away from the edge of the platform. Be careful on stairs, escalators and footbridges, especially during wet and/or cold weather. Please make sure you keep your belongings with you at all times and do not leave them anywhere.

For your safety and security, we have CCTV cameras at some stations and onboard some trains. CCTV evidence can be used in court.

Train doors will close 30 seconds before the advertised departure time. Please make sure you have enough time to get on your train safely and please take care when you leave the train.

Some of our trains are longer than the platforms at some stations. We will make announcements on the platform or on the train to make sure you travel in the right coach.
